¹ The proposed budget set forth herein is based on the following assumptions: (i) no additional title III cases or adversary proceedings will be commenced during the budget period; (ii) no plan of adjustment will be filed during the budget period; (iii) the Commonwealth-COFINA litigation is the only adversary proceeding that will require discovery and trial preparation; and (iv) all adversary proceedings in which the Committee has intervened and/or sought to intervene will only involve briefing and hearings on motions to dismiss. In addition, it is impossible to predict how many hours will be required to prosecute the Committee's anticipated challenge to certain GO bond claims, including because it is impossible to predict the number and extent of objections filed in response thereto. Thus, this proposed budget may be materially different from the work actually performed. For instance, discovery disputes may lead to extensive litigation.
